JUSTICE TO THE PEOPLE

SPIRITUALUTION CONCERTS

City Officials,

If your city would like a SpiritualutionSM Concert that would uplift the hopes and the hearts of the people for a new world to come and **inspire hope in the coming back to this planet of The Promised One**, and if your city has been through tornadoes, earthquakes, storms, or hurricanes and needs spiritual upliftment, please call Mycenay Plyler at (520) 307-5192.

TaliasVan, a spiritual leader, visionary and environmental and political change agent, delivers what he calls a Spiritualution Movement for Change, in part, through his music.

The Spiritualution — Justice to the People movement welcomes participants of all walks of life, all races, and all creeds. We are Change Agents pioneering the institutional laws and practices necessary to live peacefully in a world without borders. Spiritualution is a movement for a common good towards a better way of living!

Spiritualution Concerts are the core purpose of TaliasVan's musical virtuosity. His Spiritualution Concerts endeavor to **bring people from all religions together in unity, to celebrate the hope of the return of the Promised One and the Divine New Order to come**. He and his 11-piece Bright & Morning Star Band generate soul-shaking harmonies blended with genre-bending instrumentation to create his original genre CosmoPop® — spiritually hip vocal music — which masterfully incorporates spiritual lyrics, mantra and sacred dance with influences from rock, jazz, Celtic, folk and world music to create an interuniversal and interdimensional experience.

The beating heart of CosmoPop® Music is TaliasVan's voice and guitar. His stylized vocals express the height and depth of emotional experience while his lyrics reveal the poetry and wisdom of one who has lived lifetimes. His soul-prose expresses a spiritual sound that is visionary and hip, yet real and down to earth.

TaliasVan believes that spiritual music does not have to be rote, churchy or square and that a spiritual person can still be hip.

Just to give you more information on TaliasVan's Spiritualution Concerts, we will market them as a sacred gathering of **people of all faiths to come together to pray for the coming of The Promised One**. We will also include the following information within our marketing.

We feel this will also be an interfaith message of goodwill to all the people of various faiths in your city.

TALIASVAN-BIO

Musician, Composer and Cultural Visionary

For his entire adult life, TaliasVan has been dedicated to making the world as it should be – where every man, woman, and child has food, clothing, a home, and not just subsistence-level work, but the tools and assistance to cultivate their unique gifts, talents, and dreams.

He believes there is a vital link between the human need for positive, creative self-expression and the forming of a balanced, sustainable, and evolving culture.

TaliasVan has been singing and making music since he was boy. He spent years actively performing in Pittsburgh's nightclub-scene before experiencing a spiritual awakening at age 24. Since then, he has fused his spiritual walk with his musical talents to create some of the planet's best higher-consciousness music.

He writes songs from his own soul experience, expressing the agony and ecstasy of life. He touches and inspires the hearts and minds of his listeners, giving them hope in the midst of the day-to-day struggles of life.

CosmoPop® is spiritual vocal music that addresses the sufferings of our times and gives hope for a better world to come.™ It is TaliasVan's unique form of Global Change Music, which he plays with the 11-piece Bright & Morning Star Band. The members of his band are professional, and his two female background singers complement him with his multi-dimensional original melodies.

As spiritual vocal music, CosmoPop® incorporates lyrics, mantra, sacred dance, using rock, jazz, Celtic, folk, and world music, a truly interuniversal and interdimensional experience.
